

Community Champion Award

ARCH annual tenants' conference

20 September, Birmingham City Council, Council House

Following the last eight successful years, the ARCH Tenants Group will be hosting this year's Tenants' Conference on Wednesday 20 September 2017 at the Council House, Birmingham City Council. The conference will draw together key tenant representatives and speakers from major housing providers. For further information and to book online please visit [here](#).

This event includes a special ARCH award to recognise the dedication, willingness, inspiration and devotion that our tenants freely give to others and it is hoped that this can motivate others or give them examples of things that they can do in their own community.

The ARCH Tenants Conference Award is not only about celebrating success, it is also an opportunity for tenants of housing providers to learn from each other's work and to replicate successful initiatives in their own environment.

The award this year is for ***ARCH Community Champion Award***

Note that the deadline for submitting entries for this Award is **Monday 21st August 2017** and the presentation will take place during the conference. Please register your interest and request an entry form by emailing Mani Hundal at manveer.hundal@housemark.co.uk where entries should be submitted. You are eligible to apply if you are a tenant, a member of the tenant's household or if you are contributing to the Housing Revenue Account.

This award is decided by the ARCH judging panel based on entries received from ARCH members. It recognizes the individual who has dedicated their time to improving social housing. They don't necessarily have to be part of a formal panel, group, committee or forum to enter.
