

# Community Champion Award

The last two years have been a challenging time for us all, but some members of the community have continued to go above and beyond to support their local community and tenants. The **ARCH Community Champion Award** recognises the dedication, willingness, inspiration and devotion that our tenants freely give to others and it is hoped that this can motivate others and give them examples of things they can do in their own community.

In 2022 there will be two ARCH Community Champion Awards, one of which will be specifically for those aged under 25. The awards recognise individuals or groups who have dedicated their time to making a difference in their community and to the lives of people living in social housing.

They don't necessarily have to be part of a formal panel, group, committee or forum to be nominated. Nominees can be a tenant, a member of the tenant's household, a community group or anyone contributing to the HRA.

The nominations are judged by the ARCH judging panel.

The deadline for entries is **Friday 12<sup>th</sup> August**. The announcement of this years' winners and the presentations will take place during the ARCH tenants conference being held on Thursday 15<sup>th</sup> September in Stevenage.

**Please note, if you are making a nomination, you must ensure that the nominee/s are able to attend the conference.**
